I wanted to take a minute to thank you and express my gratitude, for your professionalism and partnership on the Lake View Project as well as the other jobs we have completed over the last couple of years. It's been a pleasure working with you and your team, Sean, Hillsbert, Charles, Donald, Omar and all the guys who have helps us along the way. All have shown the dedication and desire to providing the best flooring installation out there.

Because of you and your team, I have the confidence to continue to look for the "High End" and large projects, knowing that we can partner with your company to get the job done right.

Thank you for all your efforts and I look forward to partnering with you on many more projects to come.

Sincerely
