

Testimonials

"Dear Solar Landscaping:

These letters are to both thank you and comment you for the excellent work you did in cutting down the two trees in my back yard. The workers were very professional and worked diligently until the job was done. I honestly do not remember seeing any of them take a break. I was especially impressed with the manner in which Ergil worked alongside the workers. Now, I may be wrong, but I assumed that Ergil was the "Boss: and if this is wrong, I apologize. But, I was very impressed with the fact that he got there and got dirty along with the workers, and his very professional handling of my questions and interruptions. If anyone asks me for a reference for Tree Service, I will surely recommend Solar Landscaping. My yard was left clean and everything that was moved was re-placed back to its original position. I have NO COMPLAINTS WHATSOEVER, I thank God for directing me to Solar Landscaping. Please continue to do the exemplary work that you did for me and my home."

"Thank you for a great job, to those who must have worked through the night for the snowstorm earlier this week. We woke up at 5:00ish to discover that the sidewalks and roads had already been taken care of. Thanks"

"Dear Sirs:

I am enclosing a copy of a thank you letter that I sent to Solar Landscaping, a tree service that I found on Shepard's guide. I want you to know that this business is A-1 in my book. The initial appointment for an estimate was kept and on time. The appointment was made and the work was done in a timely and professional manner. I sincerely hope that all the other businesses in the Shepard's guide are as honorable as Solar Landscaping. It was truly a blessing to do business with them."
