

Buyers and Sellers in the Construction Industry from South Florida showed up and participated in the 2017 “Blue Book Network Who’s Who in Construction Showcase” in Sunrise Florida on June 15<sup>th</sup>.

The Event was massive as there were over 100 exhibitors and more than 1,000 in attendance at the Florida Panther’s Arena. This was our third showcase as an exhibitor in less than a month and by far the BEST. We engaged in making wonderful face to face connections and explained our wide range of services to those in the building and construction industry.

The Blue Book Building & Constructions Network is the largest and most active network in the commercial construction industry. They bring the industry together to forge connections and build relationships. For over 100 Years, they remain committed to providing the information solutions and connections needed to simplify the construction process and continually advance the commercial construction industry across the United States.

We would like to extend a thank you to the hundreds of vendors and attendees who stopped by the First Housing booth, won some fun prizes and told us about their business and listened to our business offerings. We had a great time thanks to you all and look forward to working with many of you in the near future.

First Housing spoke to many of you who would like to either start or re-enter the fun of bidding on Prevailing Wage projects. First Housing will be in Miami on August 9<sup>th</sup> and 10<sup>th</sup> and Tampa on September 20<sup>th</sup> and 21<sup>st</sup> holding two 2-day hands on training classes just for you. Please be sure you contact us to secure your spot at this event. We promise you will have fun and learn the ins and outs of Davis-Bacon and Section 3 compliance.

We look forward to seeing you all in the upcoming months and wish everyone a wonderful summer. Thank you Blue Book Network!
