Chicago Masonry Construction, Inc.  
1167 W. Howard  
Elk Grove Village, IL 60007

As the architecture firm that designed The Delta Condominiums on Lincoln Avenue in Chicago, we would like to commend the work that your firm did for us. A contributing factor in the beauty and success of the project is the workmanship performed by Chicago Masonry Construction, Inc.

It was a pleasure working with your firm and with Sterling General Corporation. We look forward to many more successful projects.

Sincerely,
