

We are better together.

Thank you for your organization's commitment to safety, compliance and sustainability over the past ten years of your ISNetworld membership.

As a token of our appreciation, we are pleased to present your company with the enclosed official 10-Year Certificate of ISNetworld Membership and congratulate you on achieving this milestone.

Today, ISNetworld connects over 550 of the world's largest hiring organizations and more than 70,000 contractors with operations in over 80 countries under a single web-based platform. Your company's continued participation, support and feedback has allowed ISN to become an industry leader in contractor and supplier management.

We value you as a contractor customer and strive to provide your company with the highest level of service. Thank you again and we look forward to continue working together to build safer and sustainable partnerships across industries.

Sincerely,
